Government of Andhra Pradesh enacted the APFMIS Act in 1997 with prime objective of transfer of power of management of state owned assets to the farmers organizations. Accordingly farmers organization such as Water Users Associations (WUA) were formed through elections. The Water Users Associations are vested with powers of executing Operation and Maintenance (O&M) and minimum rehabilitation works upto Rs.5 Lakhs. In addition to above works, Operation and maintenance works above Rs 5 Lakhs are also taken up by Irrigation & CAD Department duly calling tenders. In order to have a systematic monitoring of works taken up under different projects and track the execution and expenditure, it is essential to capture information of all the works being executed by the department including Water Users Association.

2. In order to monitor the above works taken up in Irrigation & CAD department by different field level Engineers, Commissioner, CAD proposed to develop an online “Works Tracking System” which enables online updation of works information. To achieve the above objective, a detailed TOR has been prepared to get the assignment delivered through Centre For Good Governance (CGG) which is recognized as an institute of excellence of in Governance reforms and e-Governance and an agency to provide IT related services. The CGG has consented for developing of the above system as per the TOR at a cost of Rs. 26.40 Lakhs.

3. The Government after careful examination of the matter hereby accord sanction for Rs. 26.40 Lakhs (Rupees Twenty Six Lakhs and Forty thousands only) to develop the “Works Tracking System” as per proposal. The above expenditure is proposed to be met from the following head of account of Commissioner, CAD.

2701 – M&MI, 80- General, M.H. 800 - Other Expenditure, 11 - Normal State Plan, SH -12 Water User Associations, 500 - Other Charges, 503 - Other expenditure.

4. Centre for Good Governance shall develop the system as per the TOR agreed to with Irrigation & CAD Department.
